NOVEMBER 2013

BAD KLEINKIRCHHEIM, AUSTRIA, January 18-25, 2014

St Anton Austria January 2013

Dear ISFR Friends,

We offer you not only the great ski area of Bad Kleinkirchheim but also the huge famous original Roman bath. Along the slopes we have organised cosy gettogethers and a challenging slalom. We look forward to seeing you at the daily meeting point in our village. Our club members will welcome you at their homes for a local diner. There is much more to tell but the best thing to do is come and see.

We are happy to report registration of 52 Rotarians to the European Chapter ISFR-skiweek in January 2014, which is excellent for the middle of October. About 12 Rotary-Clubs of Carinthia (our federal state in the south of Austria) will take part at the meeting points together with their partner clubs, which is a new feature in ISFR. Each day a different Rotary club will present the program along with partner club(s). So a large part

of the Rotary family from Carinthia will be present in one location. We expect 3 district governors to visit our event (Districts 1910, 1920 and 2060)

WINTER PARK, COLORADO, FEB. 1-8, 2014

Winter Park October 2013

Pete and Ann Olhasso

Early season snow has hit Winter Park and preparations are well underway for opening day Nov. 13. Pete Olhasso and the Rotary Club of Winter Park have organized a great week of skiing and fellowship for the annual North American ISFR event.

Featured during the week will be many favorite events plus exciting new activities: opening reception, local Rotary home hospitality, joint Rotary meeting, Annual General Meeting, Gala Dinner and live auction (no silent), 40th Birthday dinner party, Peak to Creek challenge and a number of optional events including: snow shoeing, cross country skiing, a cooking class, biathlon, Lama Farm visit, tour of Coor's plant and a snowcat tour.

ISFR headquarters location for 2014 Ski Week is the Zephyr Mountain Lodge at the base of Winter Park Ski Resort. Also available are Fraser Crossing and Founders Pointe (1/2 block away) and The Vintage Hotel, a short gondola ride away. It is recommended that members select the Zephyr Lodge (to be made directly with the hotel.) 70 are registered at writing.

JANUARY 31 –Feb. 7, 2015, BIG SKY RESORT

Ever wished had a condo at an award winning mountain ski resort? Here is another good reason to put ISFR 2015 on your TO DO list. President Tony has been informed by Rotary International Planned Giving that a condo has been gifted by a Rotarian and is available for purchase by an ISFR Rotarian.

Dear ISFR President Tony:

I manage Rotary gifts of unusual assets. A Rotarian donated a condo in trust in Big Sky, Montana and Rotary International is selling it as trustee. The purchaser won't receive any charitable tax benefits but we thought it might be prudent to let ISFR know that a nice condo was on the market. I understand that the North American section of ISFR is going to Big Sky Montana January 31 to February 7, 2015 - how fortuitous!
